FINALLY.....

The results of the Three Way Battle are:

First Crossbow with 321 points

Second Sodbury and Yate with 318 points

Third Thornbury with 316 points

Not our best result although there was only 5 points between the winner and us. Next year we would like a lot more of you to take part - it is a fun day out even though it invariably rains and your picture could be the one that makes the difference.

Dont Forget the club website needs more pictures for our new gallery

Please send Barbara Gibbons 12 of your images sized no more than 1000 wide by 800 high so that she can add them to the members gallery
