Three Way Battle

The Three Way Battle is almost upon us.

We would like as many of you as possible to take part so that we can come up with some winning images. It will be held on **Sunday May 15th**, between 00.01am and 11.59pm. I have included the map of the area showing the boundaries with this newsletter but as a separate file in case you want to print it out.

The Tom Crow Challenge 2016

This competition takes place each year and it involves 5 other local clubs.

Each club has to provide 8 images each from a different photographer and within those 8 images, at least 1 image has to be from the following:

Landscape - countryside, city, sea etc

Portrait - people or animals

Creative - fantasy or abstract

Humour - As it says - raise a smile

The remaining images can be any of the above or yet another category.

Any member of the club can enter and those images will be needed by Monday 19th September 2016.

Last year Thornbury didn't do very well, so this year lets give it our best shot. Please start thinking about your images now.
