WCPF Travelling Folio

At the WCPF AGM held in October, it was voted to keep the travelling folio. These are the remaining prints from the Members Exhibition which are then circulated to the clubs around the area. It had been suggested that the WCPF show all of the accepted prints from the Members Exhibition rather than just the top 100, but clubs have voted to continue with the travelling part. However, the WCPF do need volunteers to help run this, so if anyone thinks they could help, then let one of us know and we will give you all the information.

Notices

We need **volunteers on camera club nights** to help set out the chairs before the meetings. If we have a pool of helpers, you would only need to help two or three times a year.

If any of you have any useful **tutorial web links** that would be useful for other members, then please let us know and we can share them on the website.

I need your entries for consideration for the DPIC and PAGB GB Cup please. Please send me up to 10 of your best images

If anyone has any future events to share with the club, then please email me:

Regretfully Thornbury Camera Club is currently running at a loss. If anyone has any suggestions as to how we can raise some funds, please let the committee know. We would appreciate your input to avoid a significant increase in subs next year.

DPIC & PAGB GB CUP

Its the time of year again for the club to pick our entry for the DPIC and the PAGB Cup. Simon Riches showed you the type of images that score, **so could you now please send me up to TEN (no more) images for consideration.**

We normally make a pick for DPIC from those images and then pick again from those entries for the GB Cup.

Send your images to Janet please. ASAP

This month's pictures were taken by **Mike Ashfield** in Oman

and...FINALLY Many congratulations to George Collett on his CPAGB award
