HAPPY CHRISTMAS TO ALL

Don't forget to visit the Wildlife Photographer of the Year which is on at the M Shed in Bristol from 20th October to 24th February 2019. Opening times are 10.00am - 5.00pm Tuesday to Sunday but check the website for the Christmas week opening times.

Tickets are FREE on Friday 18th January, otherwise they are £6 adults or £5 concessions

Notices

We need **volunteers on camera club nights** to help set out the chairs before the meetings. If we have a pool of helpers, you would only need to help two or three times a year.

We also need volunteers to help with practical nights over next years programme. If you feel you can help, then please speak to a committee member.

If any oil you are free on either one or all of the Beginner's course dates and would be able to help either with teas/coffees or practical help, please let one of the committee members know.

If anyone has any future events to share with the club, then please email me:

Thornbury Camera Club celebrates 50 years

To celebrate the 50th anniversary of the club, we are holding a print exhibition at the Town Hall from Friday 26th April to Saturday 4th May as part of the Arts Festival.

We are also holding an exhibition of photography and photographers at the Thornbury Museum.

As mentioned before we also want to create a book which will include one photo from every member of the club. The book will be printed and you can buy a copy if you like or you can have an online version. With this in mind, could you please send 3 of your images for consideration, so that we can choose the best image to fit with the book as a whole. Images should be sent to Janet and should be sized 4000 x 3000 pixels to ensure they are of print quality.

BEGINNERS COURSE
TCC is running a Beginners Course from 5th February 2019 to 12th March 2019 - please do what you can to advertise this event in your area

This month's pictures were taken by Janet Oxenham and were taken in Slimbridge
