Notices

We need **volunteers on camera club nights** to help set out the chairs before the meetings. If we have a pool of helpers, you would only need to help two or three times a year.

We also need volunteers to help with practical nights over next years programme. If you feel you can help, then please speak to a committee member.

The **RPS** have just opened a new spacer in Bristol and is currently showing the **International Photography Exhibition**. See <http://www.rps.org/visit>

There may well be nights out arranged during the summer break, as well as local events, details of which are found on the **Sevenside Photo Circle Facebook page**

Anyone wishing to join the facebook page should contact the secretary who will pass the details on to Simon Meeds.
