**Notices**

We need **volunteers on camera club nights** to help set out the chairs before the meetings. If we have a pool of helpers, you would only need to help two or three times a year.

We also need volunteers to help with practical nights over next years programme. If you feel you can help, then please speak to a committee member.

Lorna has gone to the trouble of leaving suggestion boxes out on the table. If you liked a speaker, then please let her know, if you did not like a speaker, likewise let her know. If there is anything you would like included in the programme, tell her. It is a very difficult job to come up with fresh speakers and ideas all the time, so give her a bit of help.

**WCPF AGM news**

A couple from the committee attended the WCPF AGM where we learnt of certain changes to the rules for competitions etc.

There will be a new rule in January for PAGB competitions to stop a distant member from entering competitions. Also there will be a stop on entering similar images under different titles.

Next March after the presentation of the Knightshayes Trophy in Bovey Tracey, Willie Cheung FRPS, will be the speaker in the afternoon. If you look at his website, you will see that he is an inspirational photographer and well worth attending. His talk will be on "Urban Landscape"
