### Coronavirus Update 3

Andy Gillingham has sent you all an email asking for your views on starting back at Turnberries in September. It is almost three months away, but we need to get your views so that we can move forward.

Please email Andy and let him know your thoughts.

### NEW ONLINE MEETINGS

Our new online meetings have gone extremely well, so if there are still some of you who have yet to join us, you first need to download the ZOOM APP: <https://zoom.us/> and then email Andy Gillingham on [secretary.thornburycameraclub@gmail.com](mailto:secretary.thornburycameraclub@gmail.com) to alert him and also so that he has your correct email.

This is most important as he will send you out an invitation link just before the meeting from which you click to log on to Zoom. Meetings start at 7.30pm on Monday evenings.

### Competition subjects for next year

**Comp 2** the set subject will be “Flowers” so while you are isolating, you can take pictures in your garden.
